

2017 Late Harvest

SONOMA COUNTY RED WINE

Vineyard

Windacre Vineyard is our estate vineyard which was first established in 1890. It's located less than one mile east of the Russian River on Limerick Lane in Healdsburg, CA.

The Rockpile wines are grown by the Gloeckner-Turner ranch and are located at 1,300 feet, high above Lake Sonoma.

The combination of both these vineyards make up this exceptional wine.

Tasting Notes

This wine tastes like a berry right off the vine. Soft aromas of red current jam, cherry jam and hints of strawberries. Loads of ripe, lush red fruit round out the palate with undertones of spice and seductive hints of wildflowers, leaving one to wonder if this is, indeed, the nectar of the Gods. The only thing that can make this wine better is pairing it with dark chocolate.

Technical Notes

Varietal Composition:

65% Cabernet Franc, Windacre
35% Cabernet Sauvignon, Rockpile

Appellation: Sonoma County

Brix at Harvest: 29.5

Alcohol: 15.3%

pH: 3.83
