

2019 Danielle
Russian River Valley

Estate

Sauvignon Blanc

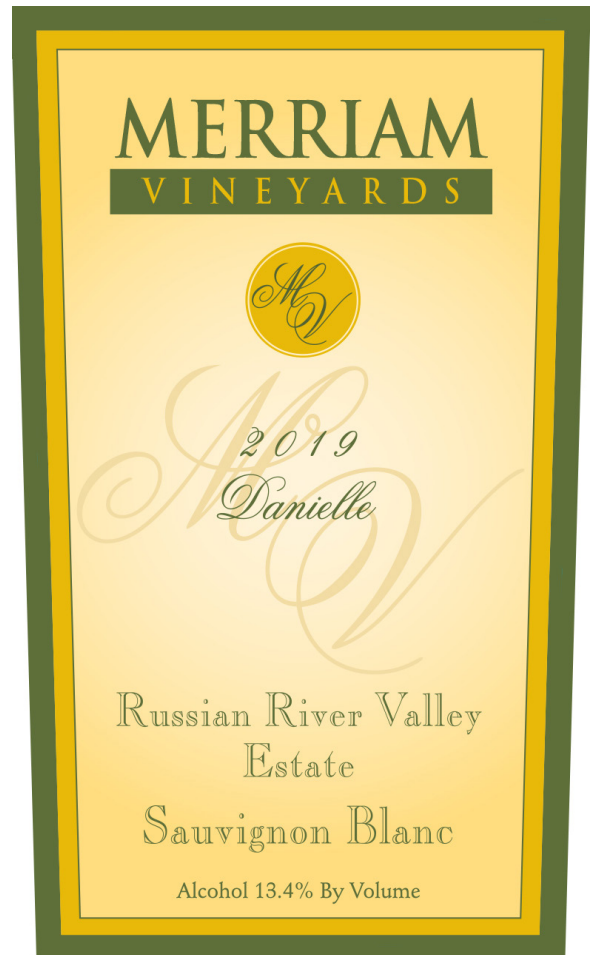

Vineyard

Up through the end of August the growing conditions were almost textbook perfect with the right amount of heat and sun to develop the fruit profile and the right amount of fog at nights and mornings to keep the sugars in check.

Danielle's Estate vineyard, established on our Los Amigos property, in the summer of 2009. This vineyard is farmed organically, and certified CCOF. Situated just off the Russian River and south of the town of Healdsburg, Danielle's vineyard is planted on the crown, of this slope side vineyard, surrounding our farmhouse style tasting room. The vineyard consists of 1 and ½ acres of clone 3 Sauvignon Blanc, and 60 headtrained vines of clone 173 Semillon.

Tasting Notes

Old World in style this light bodied Sauvignon Blanc offers a well-balanced blend of bright fruit and herbaceous notes. Strong tropical aromatics of guava and passion fruit. Crisp and refreshing flavors of lemongrass graduate to a mineral driven mid and back palate.

Technical Notes

Varietal Composition:

98% Sauvignon Blanc
