2024 SAUVIGNON BLANC

RUSSIAN RIVER VALLEY

VINEYARD

Located in the heart of the Russian River Valley, Eastside Estate spans 22-acres and is positioned near Mark West Creek. The vineyard benefits from the region's cool foggy mornings and warm sunny afternoons, while its sandy loam soils are ideal for growing premium grapes. Through obtaining our Fish Friendly Farming and California Sustainable Winegrowing Alliance (CSWA) certifications, we proudly uphold our commitment to regenerative farming practices and environmental stewardship.

TASTING NOTES

Bursting with vibrant, summertime aromas, this wine delights the senses with zesty grapefruit and succulent kiwi. A lively, mouthwatering acidity lifts the palate, accentuating bright notes of Meyer lemon. Subtle hints of pineapple and lychee add complexity, culminating in a refreshingly invigorating finish.
